

# Thank You!

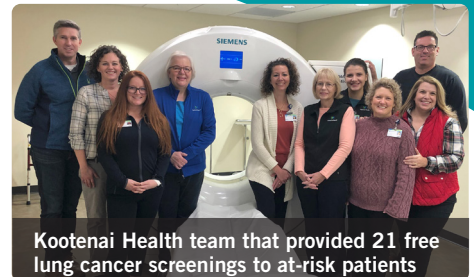

Your gifts empower us to offer the most highly-skilled caregivers, next-generation technologies, advanced medicine and personal care, all while being a community-owned, not-for-profit hospital.

*Your partnership makes a real difference*

Look at the incredible things that your donations supported in 2019:

- ▶ A team of providers and imaging specialists teamed up with the Kootenai Health Foundation to provide **21 free lung cancer screenings** to at-risk patients.
- ▶ Donor gifts purchased an additional **da Vinci surgical robot** which makes surgeries more precise with less recovery time.
- ▶ \$2.5 million to the completion of the 3<sup>rd</sup> floor of the new East Wing project which includes **32 new private patient rooms**. This unit has served as the COVID-19 isolation unit.
- ▶ **Over \$40,000 for scholarships, certification and training** for employees to further their education and clinical skills.
- ▶ **Over \$120,000 in equipment** for departments to ensure the highest quality care.
- ▶ **Over \$100,000** for employee, patient and community benefit programs including the family fund, cancer patient support program, and injury prevention programs.
