*A*s we enter this season of giving, we want to take a moment to appreciate everything our community has done for Kootenai Health and the dedicated physicians and employees who work here.

When we think of community, we think of a place where we are safe, cared for and have the resources to thrive.

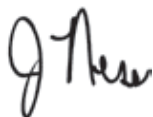

Over the past decade, the community Kootenai Health serves has been expanding. We are now the regional referral center for higher levels of care for all of northern Idaho. Patients throughout the region regularly come to us seeking care for cardiology, oncology, neurology, complex surgeries and more. Our community needs Kootenai Health to continue to grow so we can all have access to the care we need close to home.

Kootenai Health excels at providing an exceptional patient experience; however, this would not be possible without the generous philanthropic gifts from our community. Thank you for your support of the Kootenai Health Foundation and the remarkable advancements you have made possible at your community hospital. As we come together this evening to support the growing health care needs of our community, we are so grateful for your ongoing support.

Thank you for your generosity!

The ULTIMATE FLY-FISHING EXPERIENCE both on the water AND in your home! Enjoy award winning fly fishing by day in the Bitterroot Valley of Montana, and then come back home and relive the memories while you relax in your fly-fishing themed retreat.

Travel to the beautiful Bitterroot Valley of Montana to float and fly-fish on the same section of the river where they film the popular Yellowstone television series. Three nights lodging in Hamilton, MT at the Sky Water Cabins and a private half day float trip with acclaimed fly-fishing guide Boomer Bean with Fly-Fishing Always will make this a trip to remember.

To help you make the most of your trip we've included a waterproof fly box, a wooden handled net, Fishe Brookie Tote and a Clearwater fly rod.

When you return home, you can relive the memories from the comfort of your cozy fly-fishing themed room. The foundation is a colorful 7 x 10 rug from Oriental Weavers that has been accented with a stylish Forty West Nashville chair and matching ottoman, complimented by a Pandemonium faux fur throw and “Trout” coffee table book from Mix It Up Home. Relax and enjoy your favorite cocktail using this exclusive Coeur d'Alene themed decanter set and a selection of vodka from Dry Fly Distillery displayed on a stylish bar cart. In addition, the unique fly-fishing themed floor lamp and trout mirror will allow you to continue to style your room as you accompany them with two exclusive fly-fishing art pieces ... all from Home-styles Lighting.

What outdoor themed space would be complete without a Stephen Shortridge Fine Art print? This 12" x 24" signed limited edition framed print titled “Dusk Lake Coeur d'Alene” is compliments of the NEW Shortridge Fine Art Gallery on Sherman Avenue located inside Mix It Up Home.

.. and then there's the tree! This 9-foot tree has been carefully adorned with over 3,000 tiny led lights giving it a magical glow. The creel tree topper carries the fly-fishing theme from the room to the tree and the blue ribbon cascading from the top through the tree represents your favorite river. We curated a selection of exclusive hand-blown glass fly-fishing themed ornaments from Old World Christmas to complete this exceptional Christmas tree.

To finish out this tree, we have included a “Not Just for the Guys” \$300 shopping spree at Rumour Boutique ... just in case you both aren't into fishing.
